## PROFESSIONAL SUMMARY

Frontend-focused Computer Science student (graduating 2027) with hands-on experience building TypeScript and React.js applications. Proficient across the full web stack—HTML5/CSS3, Node.js, Firebase, and REST APIs—with a proven ability to ship production-ready projects independently. Seeking an internship to bring structured, component-driven development skills to a real product team.

## EDUCATION

### Parul University, Vadodara

2023 – 2027

*B.Tech in Computer Science and Engineering*

CGPA: 6.32 / 10 | Expected Graduation: May 2027

## TECHNICAL SKILLS

**Frontend:** HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Vite

**Backend:** Node.js, Express.js, Spring Boot, Java (JDBC)

**Databases:** MySQL, MongoDB, Firebase

**Languages:** Java, C, Python

**Tools & Platforms:** Git, GitHub, Netlify, Figma

**Core Concepts:** Data Structures & Algorithms, REST APIs, OOP, SDLC

**Soft Skills:** Team coordination, communication, AI-assisted development, adaptability]

## PROJECTS

### E-Purse *[TypeScript]*

Digital wallet application with structured state management and scalable frontend architecture; implemented 5+ reusable components reducing code duplication by ~30%.

### Synchoard *[TypeScript]*

Project/task synchronization board with dynamic UI updates and modular component structure; supports drag-and-drop task management across multiple workflow stages.

### Swaas Full App *[Dart / Flutter]*

Full-scale health-focused application with structured architecture; features real-time data tracking across 3+ modules with clean separation of UI and business logic.

### My Portfolio *[React · Vite · TypeScript]*

Personal portfolio with optimized production build, responsive design, and Lighthouse performance score of 90+; deployed on Netlify with CI/CD via GitHub Actions.

## CERTIFICATIONS & ACHIEVEMENTS

- Java Developer Professional – IBM
- AWS Cloud Practitioner
- AWS Academy Graduate – Cloud Foundations
- Generative AI: Elevate Your Software Development
- Hackathon Participant – Parul University
